

CMS Contribution

Tracking your church revenue shouldn't take a month of Sundays

CMS Contribution software makes it fast and simple to track and protect your church revenue. CMS Contribution handles all your church posting needs in one powerful system that complies with IRS regulations for churches and schools. CMS Contribution exports to your accounting software and comes standard with features designed to promote good communication and transparency, as well as provide audit trails for changes.

Track revenue for your church and school

- Enter contributions quickly and easily
- Itemize all income, including donor pledges, gifts, special offerings, tuition and more
- Post cash, check, stock, and non-cash gifts fast and to an unlimited number of funds
- Store and access prior year and lifetime contribution summaries

Manage pledges and capital campaigns

- Enter pledges to multiple funds; track single or multiyear pledge campaigns
- Create and send reminder letters or statements for payments due
- Prepare and mail year-end contribution statements automatically
- Transfer posted contributions automatically to ConnectNow Ledger and Payables, CMS Fund Accounting, and more

Boost productivity, save time

- Generate accurate, professional standard and custom reports
- Analyze contribution and pledge summaries and graphs
- Export a file to mail or email to your envelope provider
- Import electronic contributions
- Print instant statements or on-the-fly reports with our quick statement feature
- Integrates with Microsoft® Excel®, Word®, HTML, and more

Technology Solutions to Connect and Empower

CMS Contribution is part of an integrated product suite that helps you organize every aspect of your church ministry while connecting churches with staff, members and the communities they serve. CMS provides a complete suite of products that improve communication, save time and money, and help churches manage ministries, people, finances and reporting from a single technology platform.
